

Article 16.

Occupational Safety and Health Act of North Carolina.

**§ 95-126. Short title and legislative purpose.**

(a) This Article shall be known as the "Occupational Safety and Health Act of North Carolina" and also may be referred to by abbreviations as "OSHANC."

(b) Legislative findings and purpose:

- (1) The General Assembly finds that the burden of employers and employees of this State resulting from personal injuries and illnesses arising out of work situations is substantial; that the prevention of these injuries and illnesses is an important objective of the government of this State; that the greatest hope of attaining this objective lies in programs of research, education and enforcement, and in the earnest cooperation of the federal and State governments, employers and employees.
- (2) The General Assembly of North Carolina declares it to be its purpose and policy through the exercise of its powers to ensure so far as possible every working man and woman in the State of North Carolina safe and healthful working conditions and to preserve our human resources:
  - a. By encouraging employers and employees in their effort to reduce the number of occupational safety and health hazards at the place of employment, and to stimulate employers and employees to institute new and to perfect existing programs for providing safe and healthful working conditions;
  - b. By providing that employers and employees have separate but dependent responsibilities and rights with respect to achieving safe and healthful working conditions;
  - c. By authorizing the Commissioner to develop occupational safety and health standards applicable to business giving consideration to the needs of employers and employees and to adopt standards promulgated from time to time by the Secretary of Labor under the Occupational Safety and Health Act of 1970, and by creating a safety and health review commission for carrying out adjudicatory functions under this Article;
  - d. By building upon advances already made through employer and employee initiative for providing safe and healthful working conditions;
  - e. By providing occupational health criteria which will assure insofar as practicable that no employee will suffer diminished health, functional capacity, or life expectancy as a result of his work experience;
  - f. By providing for training programs to increase the number and competence of personnel engaged in the field of occupational safety and health;
  - g. By providing an effective enforcement program which shall include a prohibition against giving advance notice of an inspection and sanctions for any individual violating this prohibition;
  - h. By providing for appropriate reporting procedures with respect to occupational safety and health which procedures will help achieve the objectives of this Article and accurately describe the nature of the occupational safety and health problem;

- i. By encouraging joint employer-employee efforts to reduce injuries and diseases arising out of employment;
- j. By providing for research in the field of occupational safety and health, by developing innovative methods, techniques, and approaches for dealing with occupational safety and health problems;
- k. By exploring ways to discover latent diseases, establishing causal connections between diseases and work in environmental conditions, and conducting other research relating to health problems, in recognition of the fact that occupational health standards present problems often different from those involved in occupational safety;
- l. By authorizing the Commissioner to enter into contracts with the Department of Health and Human Services, or any other State or local units, to the end the Commissioner and the Department of Health and Human Services and other State or local units may fully cooperate and carry out the ends and purposes of this Article.
- m. The General Assembly of North Carolina appoints and elects the North Carolina Department of Labor as the designated agency to administer the Occupational Safety and Health Act of North Carolina. (1973, c. 295, s. 1; c. 476, s. 128; 1989, c. 727, s. 219(13); 1997-443, s. 11A.33; 2005-133, s. 2.)

- (1) Any affected employer may apply to the Commissioner for a rule or order for a permanent variance from a standard promulgated under this section. Affected employees shall be given notice of each such application and an opportunity to participate in a hearing. The Commissioner shall issue such rule or order if he

determines on the record, after opportunity for an inspection where appropriate and a hearing, that the proponent of the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations, or processes used or proposed to be used by an employer will provide employment and places of employment to his employees which are as safe and healthful as those which would prevail if he complied with the standard.

- (2) The rule or order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he must adopt and utilize to the extent they differ from the standard in question.
- (3) Such a rule or order may be modified or revoked upon application by an employer, employees, or by the Commissioner on his own motion, in the manner prescribed for its issuance under this subsection at any time after six months from its issuance.

A copy of the report of the hearing examiner shall be furnished to the Director and all interested parties involved in any appeal or any proceeding before the hearing examiner for the hearing examiner's determination. The report of the hearing examiner shall become the final order of the Commission 30 days from the date of the report as determined by the hearing examiner, unless within the 30-day period any member of the Commission had directed that the report shall be

reviewed by the entire Commission as a whole. Upon application for review of any report or determination of a hearing examiner, before the 30-day period expires, the Commission shall schedule the matter for hearing, on the record, except the Commission may allow the introduction of newly discovered evidence, or in its discretion the taking of further evidence upon any question or issue. All interested parties to the original hearing shall be notified of the date, time and place of the hearing and shall be allowed to appear in person or by attorney at the hearing. Upon review of the report and determination by the hearing examiner the Commission may adopt, modify or vacate the report of the hearing examiner and notify the interested parties. The report of the hearing examiner, and the report, decision, or determination of the Commission upon review shall be in writing and shall include findings of fact, conclusions of law, and the reasons or bases for them, on all the material issues of fact, law, or discretion presented on the record. The report, decision or determination of the Commission upon review shall be final unless further appeal is made to the courts under the provisions of Chapter 150B of the General Statutes, as amended, entitled: "Judicial Review of Decisions of Certain Administrative Agencies."

#### **§ 95-136. Inspections.**

(a) In order to carry out the purposes of this Article, the Commissioner or Director, or their duly authorized agents, upon presenting appropriate credentials to the owner, operator, or agent in charge, are authorized:

- (1) To enter without delay, and at any reasonable time, any factory, plant, establishment, construction site, or other area, work place or environment where work is being performed by an employee of an employer; and
- (2) To inspect and investigate during regular working hours, and at other reasonable times, and within reasonable limits, and in a reasonable manner, any such place of employment and all pertinent conditions, processes, structures, machines, apparatus, devices, equipment, and materials therein, and to question privately any such employer, owner, operator, agent or employee.
- (3) The Commissioner or Director, or their duly authorized agents, shall reinspect any place of employment where a willful serious violation was found to exist during the previous inspection and a final Order has been entered.

(b) In making his inspections and investigations under this Article, the Commissioner may issue subpoenas to require the attendance and testimony of witnesses and the production of evidence under oath. Witnesses shall be reimbursed for all travel and other necessary expenses which shall be claimed and paid in accordance with the prevailing travel regulations of the State. In case of a failure or refusal of any person to obey a subpoena under this section, the district judge or superior court judge of the county in which the inspection or investigation is conducted shall have jurisdiction upon the application of the Commissioner to issue an order requiring such person to appear and testify or produce evidence as the case may require, and any failure to obey such order of the court may be punished by such court as contempt thereof.

(c) Subject to regulations issued by the Commissioner a representative of the employer and an employee authorized by the employees shall be given an opportunity to consult with or to accompany the Commissioner, Director, or their authorized agents, during the physical inspection of any work place described under subsection (a) for the purpose of aiding such inspection. Where

there is no authorized employee representative, the Commissioner, Director, or their authorized agents, shall consult with a reasonable number of employees concerning matters of health and safety in the work place.

(d) (1) Any employees or an employee representative of the employees who believe that a violation of a safety or health standard exists that threatens physical harm, or that an imminent danger exists, may request an inspection by giving notice of such violation or danger to the Commissioner or Director. Any such notice shall be reduced to writing, shall set forth with reasonable particularity the grounds for the notice, and shall be signed by employees or the employee representatives of the employees, and a copy shall be provided the employer or his agent no later than at the time of inspection. Upon the request of the person giving such notice, his name and the names of individual employees referred to therein shall not appear in such copy of any record published, released or made available pursuant to subsection (e) of this section. If upon receipt of such notification the Commissioner or Director determines there are reasonable grounds to believe that such violation or danger exists, the Commissioner or Director or their authorized agents shall promptly make a special investigation in accordance with the provisions of this section as soon as practicable to determine if such violation or danger exists. If the Commissioner or Director determines there are not reasonable grounds to believe that a violation or danger exists he shall notify the employees or representatives of the employees, in writing, of such determination.

(2) Prior to, during and after any inspection of a work place, any employees or representative of employees employed in such work place may notify the inspecting Commissioner, Director, or their agents, in writing, of any violation of this Article which they have reason to believe exists in such work place. The Commissioner shall, by regulation, establish procedures for informal review of any refusal by a representative of the Commissioner or Director to issue a citation with respect to any such alleged violation and shall furnish the employees or representatives of employees requesting such review a written statement of the reason for the Commissioner's or Director's final disposition of the case.

(e) The Commissioner is authorized to compile, analyze, and publish, in summary or detailed form, all reports or information obtained under this section. Files and other records relating to investigations and enforcement proceedings pursuant to this Article shall not be subject to inspection and examination as authorized by G.S. 132-6 while such investigations and proceedings are pending, except that, subject to the provisions of subsection (e1) of this section, an employer cited under the provisions of this Article is entitled to receive a copy of the official inspection report which is the basis for citations received by the employer following the issuance of citations.

(e1) Upon the written request of and at the expense of the requesting party, official inspection reports of inspections conducted pursuant to this Article shall be available for release in accordance with the provisions contained in this subsection and subsection (e) of this section. The names of witnesses or complainants, and any information within statements taken from witnesses or complainants during the course of inspections or investigations conducted pursuant to this Article that would name or otherwise identify the witnesses or complainants, shall not be

released to any employer or third party and shall be redacted from any copy of the official inspection report provided to the employer or third party. Witness statements that are in the handwriting of the witness or complainant shall, upon the request of and at the expense of the requesting party, be transcribed so that information that would not name or otherwise identify the witness may be released. A witness or complainant may, however, sign a written release permitting the Commissioner to provide information specified in the release to any persons or entities designated in the release. Nothing in this section shall be construed to prohibit the use of the name or statement of a witness or complainant by the Commissioner in enforcement proceedings or hearings held pursuant to this Article. The Commissioner shall make available to the employer 10 days prior to a scheduled enforcement hearing unredacted copies of: (i) the witness statements the Commissioner intends to use at the enforcement hearing, (ii) the statements of witnesses the Commissioner intends to call to testify, or (iii) the statements of witnesses whom the Commissioner does not intend to use that might support an employer's affirmative defense or otherwise exonerate the employer; provided a written request for the statement or statements is received by the Commissioner no later than 12 days prior to the enforcement hearing. If the request for an unredacted copy of the witness statement or statements is received less than 12 days before a hearing, the statement or statements shall be made available as soon as practicable. The Commissioner may permit the use of names and statements of witnesses and complainants and information obtained during the course of inspections or investigations conducted pursuant to this Article by public officials in the performance of their public duties.

(f) (1) Inspections conducted under this section shall be accomplished without advance notice, subject to the exception in subdivision (2) below this subsection.

(2) The Commissioner or Director may authorize the giving to any employer or employee advance notice of an inspection only when the giving of such notice is essential to the effectiveness of such inspection, and in keeping with regulations issued by the Commissioner.

(g) The Commissioner shall prescribe such rules and regulations as he may deem necessary to carry out his responsibilities under this Article, including rules and regulations dealing with the inspection of an employer's establishment. (1973, c. 295, s. 11; 1993, c. 317, ss. 1, 2; 1999-364, ss. 1, 2; 2003-174, s. 1.)

#### **§ 95-136.1. Special emphasis inspection program.**

(a) As used in this section, a "special emphasis inspection" is an inspection by the Department's occupational safety and health division that is scheduled because of an employer's high frequency of violations of safety and health laws or because of an employer's high risk or high rate of work-related fatalities or work-related serious injuries or illnesses.

(b) The Department shall develop and implement a special emphasis inspection program that targets for special emphasis inspection employers who:

(1) Have a high rate of serious or willful violations of any standard, rule, order, or other requirement under this Article, or of regulations prescribed pursuant to the Federal Occupational Safety and Health Act of 1970, in a one-year period;

- (2) Have a high rate of work-related deaths, or a high rate of work-related serious injuries or illnesses, in a one-year period; or
- (3) Are engaged in a type of industry determined by the Department to be at high risk for serious or fatal work-related injuries or illnesses.
- (4) Repealed by Session Laws 1997-443, s. 17(b).

To identify an employer for a special emphasis inspection, the Department shall use the most current data available from its own database and from other sources, including State departments, divisions, boards, commissions, and other State entities. The Department shall ensure that every employer targeted for a special emphasis inspection is inspected at least one time within the two-year period following targeting of the employer by the Department. The Department shall update its special emphasis inspection records at least annually.

(c) The Director shall make information about the special emphasis inspection program available prior to the date of implementation of the program.

(d) The Department shall by March 1, 1995, and annually thereafter, report to the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources and the Fiscal Research Division of the General Assembly on the impact of the special emphasis inspection program on safety and health compliance and enforcement. (1991 (Reg. Sess., 1992), c. 924, s. 1; 1997-443, s. 17(b); 2017-57, s. 14.1(oo).)

#### **§ 95-137. Issuance of citations.**

(a) If, upon inspection or investigation, the Director or his authorized representative has reasonable grounds to believe that an employer has not fulfilled his duties as prescribed in this Article, or has violated any standard, regulation, rule or order promulgated under this Article, he shall with reasonable promptness issue a citation to the employer. Each citation shall be in writing and shall describe with particularity the nature of the violation, including a reference to the provisions of the act, standards, rules and regulations, or orders alleged to have been violated. In addition, the citation shall fix a reasonable time for the abatement of the violation. The Director may prescribe procedures for the issuance of a notice in lieu of a citation with respect to de minimus violations which have no direct or immediate relationship to safety or health. Each citation or notice in lieu of citation issued under this section, or a copy or copies thereof, shall be prominently posted, as prescribed in regulations issued by the Director, at or near such place a violation referred to in the citation occurred.

(b) Procedure for Enforcement. –

- (1) If, after an inspection or investigation, the Director issues a citation under any provisions of this Article, the Director shall, within a reasonable time after the termination of such inspection or investigation, notify the employer by certified mail with return receipt, by signature confirmation as provided by the U.S. Postal [Service], by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery of any penalty, if any, the Director has recommended to the Commissioner to be proposed under the provisions of this Article and that the employer has 15 working days within which to notify the Director that the employer wishes to:
  - a. Contest the citation or proposed assessment of penalty; or

b. Request an informal conference.

Following an informal conference, unless the employer and Department have entered into a settlement agreement, the Director shall send the employer an amended citation or notice of no change. The employer has 15 working days from the receipt of the amended citation or notice of no change to notify the Director that the employer wishes to contest the citation or proposed assessment of penalty, whether or not amended. If, within 15 working days from the receipt of the notice issued by the Director, the employer fails to notify the Director that the employer requires an informal conference to be held or intends to contest the citation or proposed assessment of penalty, and no notice is filed by any employee or representative of employees under the provisions of this Article within such time, the citation and the assessment as proposed to the Commissioner shall be deemed final and not subject to review by any court.

- (2) If the Director has reason to believe that an employer has failed to correct a violation for which a citation has been issued within the period permitted for its correction (which period shall not begin to run until the entry of a final order by the Commission in case of any review proceedings under this Article initiated by the employer in good faith and not solely for a delay or avoidance of penalties), the Director shall notify the employer by certified mail with return receipt, by signature confirmation as provided by the U.S. Postal Service, by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery of such failure and of the penalty proposed to be assessed under this Article by reason of such failure and that the employer has 15 working days within which to notify the Director that the employer wishes to contest the Director's notification of the proposed assessment of penalty. If, within 15 working days from the receipt of notification issued by the Director, an employer fails to notify the Director that the employer intends to contest the notification or proposed recommendation of penalty, the notification and the proposed assessment made by the Director shall be final and not subject to review by any court.
- (3) No citation may be issued under this section after the expiration of six months following the occurrence of any violation.
- (4) If an employer notifies the Director that the employer intends to contest a citation issued under the provisions of this Article or notification issued under the provisions of this Article, or if, within 15 working days of the receipt of a citation under this Article, any employee or representative thereof files a notice with the Director alleging that the period of time fixed in the citation for the abatement of the violation is unreasonable, the Director shall immediately advise the Commission of such notification, and the Commission shall afford an opportunity for a hearing. The Commission shall thereafter issue an order, based on findings of fact, affirming, modifying, or vacating the Director's citation or the proposed penalty fixed by the Commissioner, or directing other appropriate relief, and such order shall become final 30 days after its issuance. Upon showing by an employer of a good faith effort to comply with the abatement requirements of a citation, and that an abatement has not been completed because of factors beyond the employer's reasonable control, the

Director, after an opportunity for a hearing as provided in this Article, shall issue an order affirming or modifying the abatement requirements in such citation. The rules of procedure prescribed by the chairman of the Commission shall provide affected employees or representatives of affected employees an opportunity to participate as parties to hearings under this section.

- (5) Repealed by Session Laws 1993, c. 300, s. 2.
- (6) Each local unit of government shall report each violation for which it is issued a citation to its local governing board at its next public meeting and to its workers compensation insurance carrier or to the risk pool of which it is a member pursuant to Article 23 of Chapter 58 of the General Statutes. (1973, c. 295, s. 12; 1987 (Reg. Sess., 1988), c. 1111, s. 11; 1991 (Reg. Sess., 1992), c. 1020, ss. 2, 3; 1993, c. 300, s. 2; 2003-308, s. 6; 2005-133, ss. 6, 7; 2007-231, s. 10.)

### **§ 95-138. Civil penalties.**

(a) The Commissioner, upon recommendation of the Director, or the North Carolina Occupational Safety and Health Review Commission in the case of an appeal, shall have the authority to assess penalties against any employer who violates the requirements of this Article, or any standard, rule, or order adopted under this Article, as follows:

- (1) A minimum penalty of five thousand dollars (\$5,000) to a maximum penalty of seventy thousand dollars (\$70,000) may be assessed for each willful or repeat violation.
- (2) A penalty of up to seven thousand dollars (\$7,000) shall be assessed for each serious violation, except that a penalty of up to fourteen thousand dollars (\$14,000) shall be assessed for each serious violation that involves injury to an employee under 18 years of age.
- (2a) A penalty of up to seven thousand dollars (\$7,000) may be assessed for each violation that is adjudged not to be of a serious nature.
- (3) A penalty of up to seven thousand dollars (\$7,000) may be assessed against an employer who fails to correct and abate a violation, within the period allowed for its correction and abatement, which period shall not begin to run until the date of the final Order of the Commission in the case of any appeal proceedings in this Article initiated by the employer in good faith and not solely for the delay of avoidance of penalties. The assessment shall be made to apply to each day during which the failure or violation continues.
- (4) A penalty of up to seven thousand dollars (\$7,000) shall be assessed for violating the posting requirements, as required under the provisions of this Article.

(b) The Commissioner shall adopt uniform standards that the Commissioner, the Commission, and the hearing examiner shall apply when determining appropriateness of the penalty. The following factors shall be used in determining whether a penalty is appropriate:

- (1) Size of the business of the employer being charged.
- (2) The gravity of the violation.
- (3) The good faith of the employer.
- (4) The record of previous violations; provided that for purposes of determining repeat violations, only the record within the previous three years is applicable.

(5) Whether the violation involves injury to an employee under 18 years of age.

The report of the hearing examiner and the report, decision, or determination of the Commission on appeal shall specify the standards applied in determining the reduction or affirmation of the penalty assessed by the Commissioner.

(c) The clear proceeds of all civil penalties and interest recovered by the Commissioner, together with the costs thereof, shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1973, c. 295, s. 13; 1987 (Reg. Sess., 1988), c. 1111, s. 12; 1989 (Reg. Sess., 1990), c. 844; 1991, c. 329, s. 1; c. 761, s. 17; 1993, c. 474, s. 2; 1998-215, s. 111; 2004-203, s. 39(a); 2005-133, s. 8; 2006-39, s. 3; 2009-351, s. 4.)

#### **§ 95-139. Criminal penalties.**

(a) Any employer who willfully violates any standard, rule, regulation or order promulgated pursuant to the authority of this Article, and the violation causes the death of any employee 18 years of age or older, shall be guilty of a Class 2 misdemeanor, which may include a fine of not more than ten thousand dollars (\$10,000).

(b) Any employer who willfully violates any standard, rule, regulation, or order promulgated pursuant to the authority of this Article, and the violation causes the death of any employee under 18 years of age, shall be guilty of a Class 2 misdemeanor, which may include a fine of not more than twenty thousand dollars (\$20,000).

(c) If an employer is convicted of more than one violation of subsection (a) or (b) of this section, the subsequent violation shall be penalized as follows:

(1) The employer shall be guilty of a Class 1 misdemeanor which may include a fine of not more than twenty thousand dollars (\$20,000) if the subsequent violation results in the death of an employee 18 years of age or older.

(2) The employer shall be guilty of a Class 1 misdemeanor which may include a fine of not more than forty thousand dollars (\$40,000) if the subsequent violation results in the death of an employee under 18 years of age.

(d) This section shall not prevent any prosecuting officer of the State of North Carolina from proceeding against such employer on a prosecution charging any degree of willful or culpable homicide. Any person who gives advance notice of any inspection to be conducted under this Article, without authority from the Commissioner, Director, or any of their agents to whom such authority has been delegated, shall be guilty of a Class 2 misdemeanor.

(e) Whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan, or any other document filed or required to be maintained pursuant to this Article, shall be guilty of a Class 2 misdemeanor, which may include a fine of (i) not more than ten thousand dollars (\$10,000) for falsifications pertaining to employees 18 years of age or older or (ii) not more than twenty thousand dollars (\$20,000) for falsifications pertaining to employees under 18 years of age.

(f) Whoever shall commit any kind of assault upon or whoever kills a person engaged in or on account of the performance of investigative, inspection, or law-enforcement functions shall be subject to prosecution under the general criminal laws of the State and upon such charges as the proper prosecuting officer shall charge or allege. (1973, c. 295, s. 14; 1993, c. 539, s. 671; 1994, Ex. Sess., c. 24, s. 14(c); 2009-351, s. 5.)

#### **§ 95-140. Procedures to counteract imminent dangers.**

(a) The superior courts of this State shall have jurisdiction, upon petition of the Commissioner, to restrain any conditions or practices in any place of employment which are such that a danger exists, which could reasonably be expected to cause death or serious physical harm immediately or before the imminence of such danger can be eliminated through the enforcement procedures otherwise provided by this Article. Any order issued under this section may require such steps to be taken as may be necessary to avoid, correct, or remove such imminent danger and prohibit the employment or presence of any individual in locations or under conditions where such imminent danger exists, except those individuals whose presence is necessary to avoid, correct or remove such imminent danger or to maintain the capacity of a continuous process operation to assume normal operations without a complete cessation of operations, or where a cessation of operations is necessary to permit such to be accomplished in a safe and orderly manner.

(b) Upon the filing of any such petition the superior court shall, without the necessity of showing an adequate remedy at law, have jurisdiction to grant injunctive relief or temporary restraining order pending the outcome of an enforcement proceeding pursuant to this Article. The proceeding shall be as provided under the statutes and Rules of Civil Procedure of this State except that no temporary restraining order issued without notice shall be effective for a period longer than five days.

(c) Whenever and as soon as an inspector concludes that conditions or practices described in this section exist in any place of employment, he shall inform the affected employees and employers of the danger and that he is recommending to the Commissioner that relief be sought. If the Commissioner arbitrarily or capriciously fails to seek relief under this section, any employee who may be injured by reason of such failure, or the representative of such employee, may bring an action against the Commissioner in the superior court of the district in which the imminent danger is alleged to exist or the employer has its principal office or place of business, for a writ of mandamus to compel the Commissioner to seek such an order for such relief as may be appropriate. (1973, c. 295, s. 15.)

#### **§ 95-141. Judicial review.**

Any person or party in interest who has exhausted all administrative remedies available under this Article and who is aggrieved by a final decision in a contested case is entitled to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes. The Commissioner may file in the office of the clerk of the superior court of the county wherein the person, firm or corporation under order resides, or, if a corporation is involved, in the county wherein the corporation maintains its principal place of business, or in the county wherein the violation occurred, a certified copy of a final order of the Commissioner unappealed from, or of a final order of the Commissioner affirmed upon appeal. Whereupon, the clerk of said court shall enter judgment in accordance therewith and notify the parties. Such judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same, as though said judgment had been rendered in a suit duly heard and determined by the superior court of the General Court of Justice. (1973, c. 295, s. 16; c. 1331, s. 3; 1987, c. 827, s. 265.)

#### **§ 95-142. Legal representation of the Department of Labor.**

It shall be the duty of the Attorney General to represent the Department of Labor or designate some member of his staff to represent them in all actions or proceedings in connection with this Article. (1973, c. 295, s. 17.)

**§ 95-143. Record keeping and reporting.**

(a) Each employer shall make available to the Commissioner, or his agents, in such manner as the Commissioner shall require, copies of the same records and reports regarding his activities relating to this Article as are required to be made, kept, or preserved by section 8(c) of the Federal Occupational Safety and Health Act of 1970 (P.L. 91-596) and regulations made pursuant thereto.

(b) Each employer shall make, keep and preserve and make available to the Commissioner such records regarding his activities relating to this Article as the Commissioner may prescribe by regulation as necessary and appropriate for the enforcement of this Article or for developing information regarding the causes and prevention of occupational accidents and illnesses. In order to carry out the provisions of this section such regulations may include provisions requiring employers to conduct periodic inspections. The Commissioner shall also issue regulations requiring that employers, through posting of notices or other appropriate means, keep the employees informed of their protections and obligations under this Article, including the provisions of applicable standards. The Commissioner shall prescribe regulations requiring employers to maintain accurate records of, and to make reports at least annually on, work-related deaths, injuries and illnesses other than minor injuries requiring only first-aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job.

(c) The Commissioner shall issue regulations requiring employers to maintain accurate records of employee exposure to potentially toxic materials of [or] harmful physical agents which are required to be monitored or measured under this Article. Such regulations shall provide employees or their representatives with an opportunity to observe such monitoring or measuring, and to have access to the records thereof. Such regulations shall also make appropriate provisions for each employee or former employee to have access to such records as will indicate his own exposure to toxic materials or harmful physical agents. Each employer shall promptly notify any employee who has been or is being exposed to toxic materials or harmful physical agents in concentrations or at levels which exceed those prescribed by an applicable safety and health standard promulgated under this Article and shall inform any employee who is being thus exposed of the corrective action being taken.

(d) Any information obtained by the Commissioner or his duly authorized agents under this Article shall be obtained with a minimum burden upon employers, especially those operating small businesses. Unnecessary duplication of efforts in obtaining information shall be reduced to the maximum extent feasible. (1973, c. 295, s. 18; 1991 (Reg. Sess., 1992), c. 894, s. 1.)

**§ 95-144. Statistics.**

(a) In order to further the purposes of this Article, the Commissioner shall develop and maintain an effective program of collection, compilation, and analysis of occupational safety and health statistics. The Commissioner shall compile accurate statistics on work injuries and illnesses which shall include all disabling, serious or significant injuries or illnesses, whether or not involving loss of time from work, other than minor injuries requiring only first-aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job. On the basis of records made and kept pursuant to the provisions of this Article, employers shall file such

reports with the Commissioner as he shall prescribe by regulations and as may be necessary to carry out his functions.

(b) A listing of employment by area and industry of employers who have an assigned account number by the Division of Employment Security (DES) of the Department of Commerce of this State shall be supplied annually to the Commissioner by the DES. The listing of employment by area and industry shall contain at least the following: employer name; DES account number; indication of whether multiple or a single report unit; number of reporting units; average employment; establishment size code; geographical area; any four-digit code; and any other information deemed necessary by the Commissioner to meet federal reporting requirements. (1973, c. 295, s. 19; 2011-401, s. 5.1.)

#### **§ 95-145. Reports to the Secretary.**

(a) The Commissioner shall require employers in the State to make reports to the Secretary in the same manner and to the same extent as if the plan in force under this Article were not in effect, and

(b) The Commissioner shall make such reports to the Secretary in such form and containing such information as the Secretary from time to time shall require. (1973, c. 295, s. 20.)

#### **§ 95-146. Continuation and effectiveness of this Article.**

The Commissioner shall from time to time furnish to the Secretary information and assurances that this Article is being administered by adequate methods and by standards and enforcement procedures which are and will continue to be as effective as federal standards. (1973, c. 295, s. 21.)

#### **§ 95-147. Training and employee education.**

(a) The Commissioner, after consultation with appropriate departments and agencies of the State and subdivisions of government, shall conduct, directly or by grants or contracts, (i) education programs to provide an adequate supply of qualified personnel to carry out the purposes of this Article, and (ii) informational, educational and training programs on the importance of and proper use of adequate safety and health equipment to encourage voluntary compliance.

(b) The Commissioner is also authorized to conduct, directly or by grants or contracts, short-term training of personnel engaged in work related to the Commissioner's responsibilities under this Article.

(c) The Commissioner shall provide employers and employees programs covering recognition, avoidance and prevention of unsafe and unhealthful working conditions in places of employment and shall advise employers and employees, or their representatives, [of] effective means to prevent occupational injuries and illnesses. (1973, c. 295, s. 22.)

#### **§ 95-148. Safety and health programs of State agencies and local governments.**

It shall be the responsibility of each administrative department, commission, board, division or other agency of the State and of counties, cities, towns and subdivisions of government to establish and maintain an effective and comprehensive occupational safety

and health program which is consistent with the standards and regulations promulgated under this Article. The head of each agency shall:

- (1) Provide safe and healthful places and conditions of employment, consistent with the standards and regulations promulgated by this Article.
- (2) Acquire, maintain, and require the use of safety equipment, personal protective equipment, and devices reasonably necessary to protect employees.
- (3) Consult with and encourage employees to cooperate in achieving safe and healthful working conditions.
- (4) Keep adequate records of all occupational accidents and illnesses for proper evaluation and corrective action.
- (5) Consult with the Commissioner as to the adequacy as to form and content of records kept pursuant to this section.
- (6) Make an annual report to the Commissioner with respect to occupational accidents and injuries and the agency's program under this section.

The Commissioner shall transmit annually to the Governor and the General Assembly a report of the activities of the State agency and instrumentalities under this section. If the Commissioner has reason to believe that any local government program or program of any agency of the State is ineffective, the Commissioner shall, after unsuccessfully seeking by negotiations to abate this failure, include this in the Commissioner's annual report to the Governor and the General Assembly, together with the reasons therefor, and may recommend legislation intended to correct the condition.

The Commissioner shall have access to the records and reports kept and filed by State agencies and instrumentalities pursuant to this section unless such records and reports are required to be kept secret in the interest of national defense, in which case the Commissioner shall have access to such information as will not jeopardize national defense.

Employees of any agency or department covered under this section are afforded the same rights and protections as granted employees in the private sector.

This section shall not apply to volunteer fire departments not a part of any municipality.

Any municipality with a population of 10,000 or less may exclude its fire department from the operation of this section by a resolution of the governing body of the municipality, except that the resolution may not exclude those firefighters who are employees of the municipality.
